Nora Roberts - Inn BoonsBoro Collection: The Next Always, The Last Boyfriend, The Perfect Hope (Nora Roberts Inn Boonsboro Trilogy)

Synopsis

The Nora Roberts Inn Boonsboro Trilogy together for the first time in one collection

The Next Always The historic hotel in Boonsboro, Maryland, has endured war and peace, changing hands, even rumored hauntings. Now it's getting a major facelift from the Montgomery brothers and their eccentric mother. As the architect of the family, Beckett's social life consists mostly of talking shop over pizza and beer. But there's another project he's got his eye on: the girl he's been waiting to kiss since he was fifteen.

The Last Boyfriend Owen is the organizer of the Montgomery clan, running the family's construction business with an iron fist and an even less flexible spreadsheet. And though his brothers give him grief for his compulsive list making, the Inn Boonsboro is about to open right on schedule. The only thing Owen didn't plan for was Avery MacTavish. Avery's popular pizza place is right across the street from the inn, giving her a firsthand look at its amazing renovation and a newfound appreciation for Owen. Since he was her first boyfriend when they were kids, Owen has never been far from Avery's thoughts. But the attraction she's feeling for him now is far from innocent. As Avery and Owen cautiously take their relationship to another level, the opening of the inn gives the whole town of Boonsboro a reason to celebrate. But Owen's hard work has only begun. Getting Avery to let down her guard is going to take longer than he expected and so will getting her to realize that her first boyfriend is going to be her last.

The Perfect Hope Ryder is the hardest Montgomery brother to figure out with a tough-as-nails outside and possibly nothing too soft underneath. He's surly and unsociable, but when he straps on a tool belt, no woman can resist his sexy swagger. Except, apparently, Hope Beaumont, the innkeeper of his own Inn Boonsboro. As the former manager of a D.C. hotel, Hope is used to excitement and glamour, but that doesn't mean she can't appreciate the joys of small-town living. She's where she wants to be except for in her love life. Her only interaction with the opposite sex has been sparring with the infuriating Ryder, who always seems to get under her skin. Still, no one can deny the electricity that crackles between them a spark that ignited with a New Year's Eve kiss. While the inn is running smoothly, thanks to Hope's experience and unerring instincts, her big-city past is about to make an unwelcome and embarrassing appearance. Seeing Hope vulnerable stirs up Ryder's emotions and makes him realize that while Hope may not be perfect, she just might be perfect for him.

Customer Reviews

A collection of 3 great stories of love and romance. Set in a small town with a beautiful old inn. Each story has an excellent story line and full descriptive details of the inn along with a little drama thrown in just before a twist. The story starts a little slow and the voice they are using to tell the story is so deep and rich it could rock you to sleep but the story content when you get into the story is worth the time to enjoy. warning: this story may cause happiness. use caution.

Disappointed that it was abridged. The voice was so boring I wouldn't get into the story. I tune it out. Will retry again later. If I end up liking it, I will repost. So far it is a real dud. Will donate to good will if it doesn't work out.

this is one of the best audio books i have in my collection. you felt as if you were there with all of them and at times wished you were. fantastic story line...all the characters were great and even the ghosts were believable..i loved this book so much...it makes you want to visit their town..

I love this series. I love books and this goes down as one of my favorites. i highly recommend it. You will love all of the characters as this writer has a way of bringing them to life. Wonderful author and great story line with twists of parts that will make you smile and laugh. I got the trilogy for free from the library but did what i never do... i then purchased it.

This is an excellent trio of stories. Each one is connected with the others. Three brothers, all different, but interesting and fun. The reader was very good as well.

Anything by Nora Roberts is amazing but this one is special. My dream is to spend a vacation at Inn BoonsBoro with my 2 daughters who also loved this series.

I got the books on audio cd and listened to them in the car!! These books were awesome!! I really enjoyed this story line!!

I love being able to revisit characters and in this trilogy, the family is throughout the series. Very good.
