Children's Book : Pets War: The Fight For Best Pet (Cat And Dog Books, Bird, Hamster, Animal Books For Kids 7 9 12)

Synopsis

Spike, a brown Spaniel, has always been interested in certain aspects of humans' lives, so it was no surprise that the dog kept up with the humans' news reports. One day while at home relaxing with his great pal Doug, a Golden Retriever, the two were shocked when cats won the contest for best pet of the year. To Spike and Doug, cats are lazy and mean creatures that only think about themselves. After learning this, Spike thought of a way to make the humans change their minds and redo that poll. After surveying the animals in the city and learning that all the animals were outraged at the results, Spike told them of his plan for his group to help the humans around the city until they see that they were the best animals and not the cats. However, when the cats learned of Spike's team's intentions, they went straight into action. These animals would not take that title from the cats, especially not a dog! In "The Fight for Best Pet," Spike along with his friends, Doug the Golden Retriever, Tweet the yellow Warbler, Charlee the Hamster, and the other various animals, attempt to show the humans that they're the best. However, the cats do not plan to go down without a fight, and they will do anything to keep their title, even if it means turning their enemies into dog food.

Customer Reviews

I found this to be a fun story with some drama and suspense in it, yet it was an all San reads ebook. Thus, I would like to recommend this for five stars and especially for kids 7-12 but any animal story reader that does not mind it being a short, clean read could enjoy this as much as I did who's an animal lover as well as for reading these types of stories as a senior citizen. I received this ebook for free and in return, here now is my honest review. Super job Amma Lee! By Angela
