Tango: The Rhythm And Movement Of Buenos Aires (Book & 4-CD Set)

Synopsis

The Tango. It is a dance and a music of smoldering intimacy, sensuality, sadness, and melancholy. It is the resonance of feelings and movement: body contact between a man and a woman and a rhythm that has captivated people all over the world. The moving photography in this stunning book and CD collection captures the rhythms, beats, and sizzling encounters so typical for this internationally popular music. The music on the 4 CDs captures the atmosphere as it can be found in the clubs and restaurants in Buenos Aires. In addition, Astor Piazzolla, presented here live, leads Tango into the great concert halls.

Customer Reviews

The book is a nice size to display on the coffee table. The selection of photographs are very nice and portray the the art of Tango well. I was a little disappointed with the quality of some. It was fantastic to find that the book comes with 4 great music cd's! I'd buy it again!
