1000 Nudes: A History Of Erotic Photography From 1839-1939

Synopsis

A glimpse through the keyhole of history: From the earliest nude daguerrotypes to experimental nude photography. The history of nude photography is the history of people's fascination with the topic. Indeed, the photographic depiction of the human body is the only subject that has enthralled photographers, theoreticians and consumers over such a long period – more than 150 years. No other motif is as prevalent as this one during all the phases of development comprising the history of photography, no other is present, whatever the technique, and is a subject of discussion within the context of nearly all aesthetic movements. Nor has any other pictorial topic produced such a variety of specialities as the nude: from the ethnological interpretation of the body to the glamour shot, from nudist photography to the pin-up of today. No other photographic field of application has inspired as much desire as it has awakened official wrath. 1000 Nudes offers a cross-section of the history of nude photography, ranging from the earliest nude daguerrotypes and ethnographic nude photographs to experimental nude photography. The period of time spanned by this work is from 1839 to roughly 1939, from the medium's infancy to the end of the classic modernist period. Content-wise, the book pays tribute to the full range of pictorial approaches, from the manually elaborated artistic nudes of the turn of the century, enveloped in layers of theory, to the 'obscene' postcard motifs which had not the slightest artistic pretension and were intended to exert a maximum effect on the buyer's wallet. All the pictures shown are taken from the late Uwe Scheid's collection, one of the world's largest and most important collections of erotic photography.

About the Series: Bibliotheca Universalis – Compact cultural companions celebrating the eclectic TASCHEN universe at an unbeatable, democratic price! Since we started our work as cultural archaeologists in 1980, the name TASCHEN has become synonymous with accessible, open-minded publishing. Bibliotheca Universalis brings together nearly 100 of our all-time favorite titles in a neat new format so you can curate your own affordable library of art, anthropology, and aphrodisia. Bookworm's delight – never bore, always excite! Text in English, French, and German

Customer Reviews

Excellent vintage photos... seems like as soon as the device was invented, photographers knew what they and their customers wanted! Really interesting, most of them "artistic" and not raunchy.

What I expected from a historical perspective!

Excelente libro.

I returned this book. Many of the pictures are just poor quality. Lots of unerotic images of unattractive, unfit, unsexy women in stilted poses. These must have been a little risqu  for their time, but unless you're doing a historical study in this field, just say no to this book.
