Synopsis

Children's book:"BRUCE THE MOOSE & PETER"Read it FREE as part of your PRIME or Kindle Unlimited membership
Peter the anteater always wanted a friend,Whatever he did, nobody liked him in the end.He ate ants and bugs; he enjoyed the taste,Anyone who saw him eat ran away in haste.
By Allen B:Charming story for the early reader, colorful, attention grabbing and motivating the kids to read. Great book, adorable rhyming story for early readers, their parents and grandparents too. Of course, this one is also good as a bedtime story. I like the story as it teaches values like being polite to others and keeping your promises to your friends. The illustrations are beautifully done. The combination of a good story and charming illustrations makes it worth the purchase. Highly recommended.

Customer Reviews

Fun rhyming words and great pictures make this book a delight for children and their parents as they read this story aloud and teach their kids a great lesson. It doesn't matter if you are different, or like different things. When you find a friend that will help you and you them then the world is a better

place. Making learning fun and giving the love of reading is what we all need to do and this book is a great way to accomplish that!

Charming story for the early reader, colorful, attention grabbing and motivating the kids to read. Great book, adorable rhyming story for early readers, their parents and grandparents too. Of course, this one is also good as a bedtime story. I like the story as it teaches values like being polite to others and keeping your promises to your friends. The illustrations are beautifully done. The combination of a good story and charming illustrations makes it worth the purchase. Highly recommended.

I really love the Bruce the Moose adventures, by Tina Rantes. This one, about friendship and values is targeted for the kindergarten age group. It is a great read-to book, or beginning reader. Wonderful to help children read because of its colorful illustrations. Here is the link: [Children book: "Bruce the Moose & Peter": Bedtime story \(Book for kids\) Beginner reader-values-Funny-Rhymes-read along-series-Animal habitats-Animal story:Mammal ... book-Early learning-picture book-Preschool](#) I had a credit from and purchased this to read to my neighbor's child. Imagination and tales of tolerance is evident that we can all learn acceptance in life.

Cute tale about Peter, an anteater, and his newfound friendship with Bruce, the Moose. Each of them finds himself in need of help. When Bruce and Peter meet in the forest, each finds a unique talent that can help the other achieve a goal. In the process, moose and anteater respectfully thank each other, shake hands, and discover that friends can be unique individuals and still develop a strong friendship bond. This story is written in verse, which works for the most part, but is a bit awkward in a few spots. The digital illustrations are cute and appropriate. Targeted for preschool to age nine, I think it will be most appealing for ages three to six.

Bruce the Moose & Peter Cover Art: Adorable My little niece likes so much the story in this beautifully illustrated book. The illustrations fully and precisely tell the tale and are quite stunning. Great Job! The nieces and nephews always follow Tina's works and she always surprises us with something cute.

A rhyming book with fun illustrations. My little one wanted to read this again and again. Loved the creativity and great for the imagination. Entertaining for all ages and has good values. It has a good

lesson in it about friendship. The author did a great job with this book!

I enjoyed this cool short story about how it really does not matter what your friend likes to eat except not their new friend, right? Like Peter the anteater learned, too! And what great colorful illustrations too, thus I would like to recommend this ebook for five stars and for those ages 4-8. I received this ebook for free and in return, here is my honest review. Super job Tina! By Angela

My granddaughter loves this book and the others in this series. The rhymes in the story are whimsical and sing-song sounding. She loves it. The illustrations are also really cute. She enjoys them all.
