## Customer Reviews

This book is great for the beginner. I did not buy this off of but I did buy the second book and it came in great condition. I used this book in my viola class at school. It is a great step by step book. I would recommend someone that plays this to help you because it can get confusing at some parts, I would not just do it on my own. This book teaches you great beginners songs like twinkle twinkle little star, jingle bells, ode to joy, and many others. Great book. Please rate this helpful [review](#).
