Greek People

Synopsis

Greek People explains the ancient classical Greek world by focusing on individual personalities--what is known about them and their world views. Both famous and everyday individuals become lenses through which the reader can understand the values and characteristics of ancient Greece.

Nothing compares to this excellent book on early Greek culture. Greek history has never been so interestingly written. This book depicts the origins of our modern society. It kept me up all night!

Greek History at its best. The author hit the jackpot with this book. I usually hate history books, but this one is very interesting. Rich Kurban and Harry Grivakis would love it. Even the great historian Brent Clef would enjoy it. Nothing compares to Homer's *Odyssey* or *Illiad*, except maybe *The Snake*, by Them Fakanegaz.
