## Customer Reviews

Minecraft Interviews our not really something your average author would write maybe a diary which on the other hand is very popular nowadays but I never said it was bad its wonderful and perfect for the young children in my opinion. Also For the reviewer W. shi. Jenn I got to say I do likewriting long

reviews as well as I am sorry to max miner that I said you were a scam I might as well take your word for it. I am also a 13 year old reviewer and also I don't really care if my reviews are helpful I just make reviews on my kindle paperwhite for fun so I hope you read this. stay fabulous

I read this book 4 times, and I have to say, it's pretty great. I like how there are different points of view. Funny how herobrine denies he is mean. Hahahaha lol everyone knows you're behind any kind of trolling or griefing. Anyway, I really wish there would be a sequel to this book because it ended with a cliffhanger. Please make long and nice books like this, Herobrine Books!

I love how herobrine dreamed about the zombies getting him milk and then they got him milk and ed took the note! If ed HADN'T taken that note, herobrine- er, I mean Hero Obrien would have realized the power HE has! Forget interview with a minecraft mob two I want more on THIS story! What happens with herobrine? I mean Hero Obrien? I WANNA KNOW!

I used my precious monthly Prime to get this book. Next thing I know, it's free. Now I have to wait ANOTHER stupid month. If watches anyone else like a hawk, waiting for them to buy a book or use their Prime, please comment on this book and let me know I'm not alone.

Ok this was a good book but where are the other books? By the way the same thing happen on another book as the other guy, i buy a book and the next thing i know, It's free. #whywhywhyyyyhyyy

Disclaimer: I gotna sample and hope to buy this this is s review on what I've read so far. This is so interesting I know that this isn't approved by MOJANG. I liked how Harry Obrien( Herobrine's real name.) talks about how Steve says that he will kill Hsrry Obrien when he grows up.

I loved this book my favorite thing was the silly pictures and I didn't dislike anything. i would recommend this to someone who is a Minecraft lover because this is pretty much for Minecraft lovers

There used to be three but now I can only find this one. And its just the enderman. Also, it says it is 200 pages long but there was only about 80. Good book overall, but please fix these issues.
