Fonteyn And Nureyev: The Great Years

Synopsis

Keith Money was beginning the first of his noted photographic books on the ballet exactly at the time the great partnership of Fonteyn and Nureyev was formed, and from the start he had a privileged view of the moulding of the two dancers into the team that was to take the world by storm in the 1960s. Money's camera recorded matters on an hour-to-hour, day-to-day basis, from first rehearsals to public performance. To complete certain sequences, the photographer (who had become a close friend of his subjects) often travelled extensively; once he joined the pair on a 7000-mile round trip. He has now assembled a panoramic selection of masterprints to provide a record of one of the outstanding theatrical experiences of our time. Money's introduction and commentary provide a counterpoint to his photographic history. Every mood is displayed, from high comedy to tragedy, and we see the moods backstage as well, recorded by someone deeply versed in the exactitude of ballet.

Book Information

Hardcover: 256 pages

Publisher: Harpercollins; 1st edition (October 1994)

Language: English

ISBN-10: 0002713756

ISBN-13: 978-0002713757

Product Dimensions: 1.2 x 11 x 13 inches

Shipping Weight: 5 pounds

Average Customer Review: 3.8 out of 5 stars [See all reviews](#) (4 customer reviews)

Customer Reviews

idiots on here keep reviewing their seller experience rather than reviewing the book ! a very large book with lots of rare photos of one dancer at the end of career and another at his peak who come together and make magic as a team.

Arrived practically falling apart. Did not have the paper jacket as stated and the binding was ripped.

Other than the cover being a little ripped which is expected for a used book it is in great condition

I received the book in a timely manner, and it was in wonderful shape!
