ISBN-13: 978-0634091223

Product Dimensions: 9 x 0.5 x 12 inches

Shipping Weight: 1.4 pounds (View shipping rates and policies)

Average Customer Review: 4.4 out of 5 stars [See all reviews](#) (9 customer reviews)

Best Sellers Rank: #103,132 in Books (See Top 100 in Books) #12 in [Books & Photography > Music > Musical Genres > Gospel](#) #18 in [Books > Arts & Photography > Music > Songbooks > Mixed Collections](#) #43 in [Books > Christian Books & Bibles > Christian Living > Music](#)

Customer Reviews

Many, if not most, of the popular songs of the '50's are included in this book. The price is relatively low, making this a good value. Because songs are in "C" and most songs have simple chord progressions, I can easily transpose them on the keyboard (in my head on the fly) to keys that are more singable for my vocal range. CONS: 1) Chords are often too simple, excluding borrowed, augmented, and diminished chords that would make the songs richer; 2) as with all Kindle Fake Books, the print is too small and has very limited ways of making it larger (unlike Kindle reading books). Bottom line, it's a great alternative to spending \$3-5/song from other internet sheet music retailers.

As a very untalented piano player, I love being able to sit down and playing through many of the

songs I remember from the 50s, just for my own enjoyment. The chord index is a wonderful help.

I use this book a lot, since I give programs for the public. However, I would rather not have everything in the key of C. Next time I'll skip the word "easy" when I get a fake book.

Great music and easy to play. I've only been banging the keys for a year and I can play most of these songs.

Excellent product. You cannot go wrong with a Hal Leonard music book.
