Customer Reviews

I would recommend this book for someone with somewhat advanced artistic ability. It is not for a beginner. However, a good reference book for someone painting in acrylics...reminds me of the old Walter Foster art instruction books. Again...for someone with good drawing and color mixing ability. Not a lot of pages, and not a lot of detail.

This is a great book for artists. The instructions are simply defined, the explanations are easily followed. It can be used as a resource for any medium, not just acrylics. C.Fahy
