# Rhythm Field: The Dance Of Molissa Fenley (Enactments)

## Synopsis

Molissa Fenley, one of the most influential artists of postmodern dance, has had a lasting impact on performance. In dance, she has explored extreme effort and duration in highly crafted patterns and performed with an explosive, joyous energy that infused her work with endurance, balance, and life force. She challenged modern dance orthodoxy and redefined the character of a woman's moving body in the late twentieth century, bringing postmodernized ritual to the stage. *Rhythm Field* is a vivid and probing portrait of Fenley's four-decade career, written by her fellow artists. The collection functions as a multifaceted look into one woman's complex performing arts legacy. The result is itself an aesthetic undertaking that investigates the ways in which Fenley straddles dance traditions, art genres, and gender norms and has been a model to the field. The collection offers several scholarly analyses of the choreographer's work, and is, above all, a vibrant record from the field. *Rhythm Field* sits at a necessary midpoint between criticism and scholarship.

## Book Information

Series: Enactments

Paperback: 184 pages

Publisher: Seagull Books (August 15, 2015)

Language: English

ISBN-10: 0857422197

ISBN-13: 978-0857422194

Product Dimensions: 6 x 0.5 x 9 inches

Shipping Weight: 9.6 ounces (View shipping rates and policies)
