## Customer Reviews

As an experienced teacher, I find these books best used as a set. The entire 'Premiere' Series moves quickly and my students really enjoy this updated version and fun music!

Love this book. Just like the other premier books, the songs are so fun to play and even more fun to accompany. It's refreshing and the students love it.

I love and use all of Alfred's PPC books, however, this one does not come with an accompaniment cd and I wish it would. It would be so helpful.
