Minecraft: Girl Diaries 6 In 1 (Minecraft Box Set, Minecraft Girls, Minecraft Women, Minecraft Kids, Minecraft Childrens Books, Minecraft Diaries, Minecraft Wimpy Diaries)

Synopsis

For our Minecraft girl fans: 6 Minecraft girl diaries in 1 book! Diary 1: Angela started a journal. She mentions some interesting phenomena from the past that happened because of her secret superpower, but her most adventurous day turned out to be a life saver for her mother and a disaster for a trio of evil thugs. How did she do it? And what was that superpower that helped her perform such a heroic deed? Go ahead and find out. Diary 2: Nyx is a little different. She has purple hair, black clothes, and a gothic way of presenting herself. But underneath her seemingly rebellious attitude is a soft heart and a tender, caring young woman who works as a nurse, says no to drugs, and listens to old ladies in the hospital. But the events with the most impact on her life have yet to come, involving a decent young man who falls in love with her, a stubborn family, and a terrifying motorcycle accident. Will her teleporting powers help her find new meaning and purpose in life? Don't wait and read this fun, emotional Minecraft book about an enderwoman! Diary 3: Trish and Tracy seem to be two opposites. One of them likes fast, powerful stuff, while the other is more sensitive and detailed. They get along most times; and they decided to keep the same journal together but not to read each others' entries. In this funny compilation of journal entries from two very different personalities, you'll read about their opposing emotions and laugh your head off when you learn of their contradicting views. Diary 4: Martha doesn't consider herself the crème of the crop to the eligible young men in her neighborhood, but when somebody tells her she is a princess, her lifestyle and charisma change immediately. With that being said, it doesn't come easy for her to adjust to the habits and perfect her princess skills. Do you like princesses, and do you like Minecraft? Then this little book is a fun read to enjoy. Diary 5: They hate each other. They like each other. They love each other. They argue with each other | this Minecraft love book is about a couple that goes through the motions of a typical rollercoaster relationship. Bethany and Russell work at the same company and do whatever it takes to get to the top. But when they have to make some tough choices, they realize that their feelings for each other exceed any ambitions they have. Will this lovely couple make it through and overcome their challenges? Diary 6: In this Minecraft world, Josh and Kimberley meet. They become best friends, and they work well together, but when one of them gets a crush on the other, their friendship is in danger. Can they continue to be friends without having feelings for each other? As time elapses, they have fun together, talk together, and share time in a school project, but when zombies attack the village, their faithful friendship is severely tested.

This is the first time that I have read a Minecraft book about Girls and I must say that it has been an enjoyable reading moment. Although my kids are both boys, I think they will find this book set amazing too. And what is even better is that there are 6 books here. This is such a practical purchase, and since the books are all about Minecraft, I'm sure the reading time will all be worth it. I personally love Diary 5.

My girls are self-professed Minecraft fanatics, so finding this book that has 6 girl diaries has been a smart thing on my part. They will be really ecstatic about this. I read the book before I gave it to them just to make sure that I will be able to give them only the best and that the book is not that vulgar and it did not use language that may offend them or make them think of things. And I am glad that this book is reader friendly. I also find it written well, very artistically done too. I have never looked at Minecraft in a feminine aspect, just now, and I find myself enjoying too.

This is very good and helpful guide book . Angela started a journal. She mentions some interesting

How did she do it? And what was that superpower that helped her perform such a heroic deed? Go ahead and find out. In this Minecraft world, Josh and Kimberley meet. They become best friends, and they work well together, but when one of them gets a crush on the other, their friendship is in danger.

Interesting stories that bring a smile on your face after a hard day. Its my norm to read any book before i pass them to my kids. Minecraft kids will be interesting for my boys. I like the flow of other category of Minecraft and the most interesting story was about pains, patients, Patience. If you are looking for something will cut across all family interest, then this book is recommended.
