## Customer Reviews

This book contains several pieces that aren't too difficult, but technical diverse. Several pieces have an accessible range for students.

I like the choice of pieces. They range in difficulty from easy to advanced. I use it to practice and keep my lip up between gigs.

ONLY THE PIANO PART ARRIVED. I needed to order the trumpet part for my student for Solo and Ensemble Festival. The part was incomplete. Rip off.

Perfect for my intermediate playing son. Piano parts are not too hard either. Really like the songs.

Bought for our teenage son. He loves this music book, and how great the songs sound!

Expected the solos to be harder, oh well.
